We will discuss the guidelines, applications, qualifications, and release dates for the Federal Home Loan Bank of Chicago's Down Payment Plus Grant, the City of Peoria Grant, and the Illinois Housing Development Authority (IHDA) home buying programs. We will also talk about how these grants can be stackable and 100% forgivable. Qualified borrowers can receive up to 15K towards home purchase.

Together we can make an impact in our growing community. Let our experts at Busey Bank Bridge help you navigate the process by showing you how you may benefit from these available grant fund dollars.
